AUD/UNIT

ID	DESCRIPTION	Price for 2025 (excl. GST)
1 CONTROL PANELS		
101	2-Zone Indication Panel with Discharge & Isolation Switch	\$695
102	2-Zone Indication Panel with Discharge	\$695
103	2-Zone Indication Panel	\$450
107	Panel for CNC Machine	\$950
2 ACCESSORIES FOR CONTROL PANELS		
201	Dual-Output Booster (Fully monitored) <i>to increase number of connected canisters, or use high current output for ancillaries up to 2x5=10Amp</i>	\$295
202	Junction Box for 1 Monitoring Line (<i>metal case for industrial panel</i>)	\$78
209	Junction Box for 4(5) Monitoring Lines (<i>aluminium casting case for marine & automotive applications</i>)	\$180
210	Break Glass with Protective Flap	\$85
3 ACTIVATION DEVICES		
302	T-Start-45C	\$210
303	T-Start-72C	\$210
304	T-Start-110C	\$210
305	T-Start Manual	\$210
306	Detection Circuit Junction Box for T-Start	\$150
307	Protective Cup	\$45
4 DETECTION DEVICES		
401	Thermal Probe Detector Vertical Mounting Fixed Temperature 57C	\$145
402	Thermal Probe Detector Vertical Mounting Fixed Temperature 90C	\$145
403	Thermal Probe Detector Vertical Mounting Fixed Temperature 57C - Explosion Proof	\$198
404	Thermal Probe Detector Vertical Mounting Fixed Temperature 90C - Explosion Proof	\$198
5 AUDIO VISUAL WARNING DEVICES		
506	Sounder & Strobe Combined 101dBA Shallow Base	\$145
507	Deep Base for Sounder & Strobe	\$40
512	Sign Illuminated with Sounder Evac	\$239
513	Sign Illuminated with Sounder DNE	\$239
514	Custom-made Face Plate for Sign Illuminated with Sounder	\$45
6 WARNING SIGNS		
601	A5 Set of 3 Printed Warning Signs for Fire Panel with Discharge	\$45
602	A5 Size Two colours Yellow with Black Lettering	\$15
603	A4 Size Two colours Yellow with Black Lettering	\$30
