ID	DESCRIPTION
1 CONTROL PANELS	
101	<p>2-Zone Indication Panel with Discharge & Isolation Switch</p>  <p>The image shows a black rectangular control panel with a silver top and bottom. It features a vertical LED indicator strip with seven lights. Below the strip are two large red circular buttons. Text on the panel includes: '2Z FireChase™ DETECTION & ACTIVATION SYSTEM', 'MAIN POWER ON', 'BACKUP POWER ON', 'CIRCUIT 1 ALARM', 'CIRCUIT 2 ALARM', 'FAULT', 'ISOLATED', 'DISCHARGE', 'PRESS BOTH BUTTONS FOR 10 SECS TO DISCHARGE', 'PRESS SINGLE BUTTON TILL', '1 BEEP - ISOLATE', '2 BEEPS - RESET', '3 BEEPS - TEST', 'www.artek.net.au', 'ISOLATE', and 'ARM DISCHARGE'. There are also CE and Active Listed logos.</p>
103	<p>2-Zone Indication Panel</p>  <p>The image shows a black rectangular control panel with a silver top. It features a vertical LED indicator strip with five lights. Below the strip is a large red circular button. Text on the panel includes: '2-ZONE FireChase™ DETECTION SYSTEM', 'MAIN POWER ON', 'BACKUP POWER ON', 'CIRCUIT 1 ALARM', 'CIRCUIT 2 ALARM', 'FAULT', 'ISOLATED', 'PRESS BUTTON TILL', '1 BEEP - ISOLATE', '2 BEEPS - RESET', '3 BEEPS - TEST', and 'www.artek.net.au'. There are also CE and Active Listed logos.</p>
107	<p>Panel for CNC Machine</p>  <p>The image shows a black rectangular panel with a silver faceplate. It features several indicator lights and a rotary switch. Text on the panel includes: 'MACHINE 24V SUPPLY ON', 'SAFETY INTERLOCK', 'OUTPUT FAULT', 'INPUT FAULT', 'OUTPUT ACTIVE', 'FIRECHASE™ CNC DETECTION AND ACTIVATION SYSTEM', 'www.artek.net.au', 'ARTEK ENGINEERING PTY LTD', 'NORMAL ISOLATE', and 'BACKUP POWER ON'. There are also CE and Active Listed logos.</p>

2 ACCESSORIES FOR CONTROL PANELS

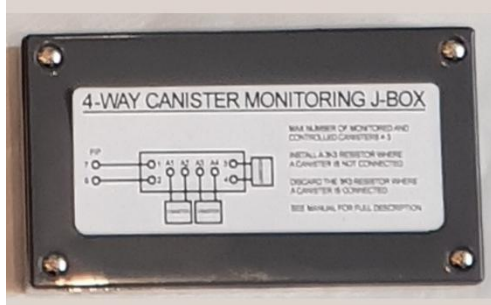

201

Dual-Output Booster

209

Junction Box for 4(5) Monitoring Lines

210

Break Glass with Protective Flap

3 ACTIVATION DEVICES

302
303
304
305
306
307

JUNCTION
BOX

PROTECTIVE
CAP

4 DETECTION DEVICES

401
402

Thermal Probe Detector Vertical Mounting Fixed Temperature 57C / 90C

403
404

Thermal Probe Detector Vertical Mounting Fixed Temperature 57C / 90C - Explosion Proof

5 AUDIO VISUAL WARNING DEVICES

512

Sign Illuminated with Sounder EVAC

513

Sign Illuminated with Sounder DNE
